

WE BRING TALENT TOGETHER

to accelerate social and environmental transformation

ABOUT US

COMPARTAMOS CON COLOMBIA

Non-profit Organization whose aim is to contribute to the country's transformation

LINES OF WORK

Building and strengthening the capacities of organizations, leaders, entrepreneurs and communities. We have worked with over 500 organizations.

Designing and implementing development solutions and innovative projects that have a great social and environmental impact.

WHY WE STAND OUT?

We bring together a talent pool and know-how from 13 professional services firms who have vast experience in strategic consulting, legal services, and investment banking fields, with the needs of organizations, entrepreneurs and communities fostering sustainable social and environmental changes.
